Communique #1

To: Parish Presidents for Communications Chairpersons
Provincial President

From: Margaret Moore,
NL Provincial Communication Chairperson

Greetings from your Provincial Chairperson of Communications –

September brings us back to the beginnings of meetings, and preparing for another wonderful year of C.W.L.

2015 Fall Meeting

The Catholic Women's League Provincial Council CWL Fall Meetings will be held in Grand Falls-Windsor from October 4-5, 2015. Hope to see you all there!

Be-League Magazine

We have the privilege of being highlighted in the Be-League this November as was detailed in March 2015 Edition. Please send me your submissions before the end of October as I have to send them to National before the end of October to be ready for submission for November 15. This is a great way to let others know of the great work that we as Newfoundlanders and Labradorians are doing. Remember to get consent for any photos, etc.

The Canadian League

We are all asked to be aware of the avenues available to us to keep up-to-date on the happenings and events in the Province and Nationally through the Be League Magazine an e-newsletter. We are all asked to read and be part of the Canadian League magazine. The League is an excellent resource for our councils; it contains information and lots of articles. Both magazines are available on the National website www.cwl.ca

The Provincial website is www.cwl.nl.ca. (I do not update the website) Members can read interesting and informative articles on the website about upcoming events around the province.

If someone in your council does not have access or knowledge of computers, please ensure that they can access the information through someone that does.
