National Community Life Committee

From: Barbara McGrath, Provincial Chairperson of Community Life

Dear Members of the League,

Peace and Joy to all of you during this Christmas Season.

I am sure all of you have had a very busy fall and have continued to carry out the great work of the League and are looking forward to special events with family and friends during this special time of year.

Just a reminder of a couple of issues that have been at the forefront in recent months and still need our support.

Syrian Refugee Crisis

Every day we are witnessing amazing story of support for the refugees in all parts of our country. It is with the support of many of you that this is happening. It is important that we continue to do whatever we can to ensure that our brothers and sisters continue to get the help they need to live a happy and peaceful life in our country. Thank you for all you do and continue doing to make the good things happen.

Seniors

We have many seniors in our communities who continue to need our help and care. It is so important that we continue to fight for better conditions for all seniors because we value their presence. Continue to be aware of what the issues are in your community and discuss ways that your council can bring the issues to the forefront. Remember that every act of kindness to a senior is very much appreciate.

There are many more issues that we will continue to talk about in the New Year.

May God's Peace be in your dwelling place during the Christmas season.

Barbara McGrath
