

## Introduction

**Thank you for participating in the testing of a new annual reporting system. As parish resolutions standing committee chairpersons, your report adds value to our diocesan, provincial and national perspective.**

**The form is very comprehensive and broken into each sub-heading. Please do not feel daunted by the length of the report. There are many options, but we understand that councils will focus on just a few of the priorities listed. It is perfectly okay to leave questions unanswered if your council has not pursued a certain topic.**

**Thank you for completing this annual report. It will help us to know better what your council is doing and what your members interests are.**
